Glass fibre mesh universal  
6 x 6 mm, 105 g/m²  
Item no. 14917

Status: 02.08.2026 | 01:38

|                       |                                                                                                                                                                                                                                                                                                                                                   |
|-----------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Designation           | Glass fibre mesh universal 6 x 6 mm, 105 g/m²                                                                                                                                                                                                                                                                                                     |
| Description           | PROTEKTOR mesh for universal use in interior and exterior plaster. Can be used for surface reinforcement, for transitions such as wall connections, material changes, wall slots, roller shutter boxes, etc., as well as for embedding in thick bitumen coatings and floor levelling compounds. Alkali-resistant, non-shifting, plasticiser-free. |
| Product area          | Interior plaster   Exterior plaster                                                                                                                                                                                                                                                                                                               |
| Product category      | fabric   Plaster base                                                                                                                                                                                                                                                                                                                             |
| Grammage              | 105 g/m²                                                                                                                                                                                                                                                                                                                                          |
| Mesh size             | 6 x 6 mm                                                                                                                                                                                                                                                                                                                                          |
| Fabric dimension      | 100 cm x 50 m                                                                                                                                                                                                                                                                                                                                     |
| Storage               | Store in a cool, dry, frost-free place protected from UV light and mechanical damage in the original packaging.                                                                                                                                                                                                                                   |
| Customs tariff number | 70196600                                                                                                                                                                                                                                                                                                                                          |
| Opened label          | Purchase only possible as full packaging units.                                                                                                                                                                                                                                                                                                   |

| Item number | Length (cm) | Material    | Colour     | Packaging unit  |
|-------------|-------------|-------------|------------|-----------------|
| 119799      | 10,000.00   | Glass fiber | 10 - white | 100 M2 / 15 ROD |
| 119801      | 10,000.00   | Glass fiber | 10 - white | 100 M2 / 15 ROD |
