

# PRODUCT DATA SHEET

Reinforcing mesh ETICS  
4 x 4 mm, 165 g/m²  
Item no. 14922

Status: 02.08.2026 | 05:34

|                        |                                                                                                                                                                                                      |
|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Designation            | Reinforcing mesh ETICS 4 x 4 mm, 165 g/m²                                                                                                                                                            |
| Description            | PROTEKTOR reinforcing mesh for surface reinforcement in ETICS systems. Can also be used outside the system to prevent or repair cracks in facades. Alkali-resistant, non-shifting, plasticiser-free. |
| Product area           | Thermal insulation                                                                                                                                                                                   |
| Product category       | Surface fabric                                                                                                                                                                                       |
| Standard EN            | EAD 040016-01-0404                                                                                                                                                                                   |
| Grammage               | 165 g/m²                                                                                                                                                                                             |
| Mesh size              | 4 x 4 mm                                                                                                                                                                                             |
| Fabric dimension       | 100 cm x 10 m                                                                                                                                                                                        |
| Reaction to fire (R2F) | kA                                                                                                                                                                                                   |
| Overplastering Ability | Fulfil the requirements of ETAG 004.                                                                                                                                                                 |
| Storage                | Store in a cool, dry, frost-free place protected from UV light and mechanical damage in the original packaging.                                                                                      |
| Annotation             | Fulfil the requirements of ETAG 004.                                                                                                                                                                 |
| Customs tariff number  | 70196600                                                                                                                                                                                             |
| Opened label           | Purchase only possible as full packaging units.                                                                                                                                                      |

| Item number | Length (cm) | Material    | Colour              | Packaging unit  |
|-------------|-------------|-------------|---------------------|-----------------|
| 119831      | 1,000.00    | Glass fiber | 10 - white          | 10 M2 / 125 ROD |
| 119834      | 1,000.00    | Glass fiber | BX - bordeaux       | 10 M2 / 125 ROD |
| 119836      | 1,000.00    | Glass fiber | R8 - yellow         | 10 M2 / 125 ROD |
| 119838      | 1,000.00    | Glass fiber | S6 - brilliant blue | 10 M2 / 125 ROD |
| 119832      | 5,000.00    | Glass fiber | 10 - white          | 50 M2 / 33 ROD  |
| 119833      | 5,000.00    | Glass fiber | 10 - white          | 55 M2 / 33 ROD  |
| 119835      | 5,000.00    | Glass fiber | BX - bordeaux       | 50 M2 / 33 ROD  |
| 119837      | 5,000.00    | Glass fiber | R8 - yellow         | 50 M2 / 33 ROD  |
| 119839      | 5,000.00    | Glass fiber | S6 - brilliant blue | 50 M2 / 33 ROD  |

# PRODUCT DATA SHEET

Reinforcing mesh ETICS

4 x 4 mm, 165 g/m<sup>2</sup>

Item no. 14922
