

# PRODUCT DATA SHEET

Ventilation strip square perforated rolled PVC  
80 mm, 5 m  
Item no. 3685

Status: 01.08.2026 | 00:37

|                                  |                                                                                                                                                                                                                                                                                                                  |

| Designation                      | Ventilation strip square perforated rolled PVC 80 mm, 5 m                                                                                                                                                                                                                                                        |
| Description                      | The PROTEKTOR rolled PVC ventilation strips with square perforations ensure optimal and effective ventilation while extracting moisture caused by diffusion or condensate water formation. It also provides the best possible degree of protection against the entry of small animals into the ventilation area. |
| Product area                     | Ventilation profiles                                                                                                                                                                                                                                                                                             |
| Product category                 | Roof ventilation   Facade ventilation                                                                                                                                                                                                                                                                            |
| Material thickness               | 1,2 mm                                                                                                                                                                                                                                                                                                           |
| Product width                    | 80 mm                                                                                                                                                                                                                                                                                                            |
| Ventilation cross section in cm2 | 426 cm²/lfm.                                                                                                                                                                                                                                                                                                     |
| Customs tariff number            | 39259080                                                                                                                                                                                                                                                                                                         |
| Opened label                     | Purchase only possible as full packaging units.                                                                                                                                                                                                                                                                  |

| Item number | Length (cm) | Material | Colour         | Packaging unit  |
|-------------|-------------|----------|----------------|-----------------|
| 102017      | 500.00      | Hard PVC | 10 - white     | 12 ROL / 40 BOX |
| 102033      | 500.00      | Hard PVC | 90 - black     | 12 ROL / 40 BOX |
| 102020      | 500.00      | Hard PVC | 33 - brick-red | 12 ROL / 40 BOX |
| 102029      | 500.00      | Hard PVC | 47 - brown     | 12 ROL / 40 BOX |
