

# PRODUCT DATA SHEET

Stop bead with mesh for thermal insulation

3 mm

Item no. 3793

Status: 31.07.2026 | 23:42

|                        |                                                                                                                                                                           |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Designation            | Stop bead with mesh for thermal insulation 3 mm                                                                                                                           |
| Description            | The PROTEKTOR plaster finishing profile made of PVC, with sewn-on alkali-resistant glass fibre mesh, is suitable for plaster thicknesses from 3 mm on thermal insulation. |
| Product area           | Thermal insulation                                                                                                                                                        |
| Product category       | Connection and end profiles                                                                                                                                               |
| Plaster thickness      | 3 mm                                                                                                                                                                      |
| Grammage               | 160 g/m <sup>2</sup>                                                                                                                                                      |
| Mesh size              | 4 x 4 mm                                                                                                                                                                  |
| Overplastering Ability | One-sided tissue protrusion of 10 cm at the end of the bar.                                                                                                               |
| Annotation             | One-sided tissue protrusion of 10 cm at the end of the bar.                                                                                                               |
| Customs tariff number  | 39269097                                                                                                                                                                  |
| Opened label           | Purchase only possible as full packaging units.                                                                                                                           |

| Item number | Length (cm) | Plaster thickness | Material                        | Colour     | Packaging unit  |
|-------------|-------------|-------------------|---------------------------------|------------|-----------------|
| 111532      | 250.00      | 3 mm              | Rigid PVC with glass fibre mesh | 10 - white | 50 PCS / 40 BOX |
