

# PRODUCT DATA SHEET

GR-connection profile pre-slotted  
U 28.5-27  
Item no. 5241

Status: 31.07.2026 | 20:37

|                         |                                                                                                                                  |
|-------------------------|----------------------------------------------------------------------------------------------------------------------------------|
| Designation             | GR-connection profile pre-slotted U 28.5-27                                                                                      |
| Description             | Application area: connection profile for vaulted ceilings as well as horizontal convex and concave connections to walls/columns. |
| Product area            | Dry lining                                                                                                                       |
| Product category        | Formable profiles flexibilo                                                                                                      |
| Material thickness      | 0,6 mm                                                                                                                           |
| Standard EN             | EN 14195:2005/AC:2006                                                                                                            |
| Standard                | DIN18182-1                                                                                                                       |
| Galvanizing             | tested to standard                                                                                                               |
| Product width           | 28,5 mm                                                                                                                          |
| Reaction to fire (R2F)  | A1                                                                                                                               |
| Customs tariff number   | 73089059                                                                                                                         |
| Processing instructions | For vaulted ceilings and convex and concave horizontal finishes on walls/columns.                                                |
| Opened label            | Purchase only possible as full packaging units.                                                                                  |

| Item number | Length (cm) | Material         | Packaging unit |
|-------------|-------------|------------------|----------------|
| 108511      | 300.00      | Galvanised steel | 8 PCS / 24 BUN |
