

PRODUCT DATA SHEET

Trennfix separation paper strips

65 mm

Item no. 53400

Status: 01.08.2026 | 17:01

Designation	Trennfix separation paper strips 65 mm
Description	With single-sided self-adhesive strips for separating construction elements and preventing the formation of tears along construction element connections.
Product area	Dry lining
Product category	Waterstops
Product width	65 mm
Customs tariff number	48114120
Processing instructions	Stick the Trennfix paper separating strips with adhesive tape to the component connection along the drywall profile. Install the building boards with a joint to the component connection and then fill the joint with filler. Once the filler has dried or after finishing work, e.g. painting, cut off the excess strip with a cutter knife.
Opened label	Purchase only possible as full packaging units.

Item number	Length (cm)	Material	Packaging unit
