

# PRODUCT DATA SHEET

Suspension wire with hook  
375 mm  
Item no. 6053

Status: 31.07.2026 | 11:24

|                         |                                                                                                                                                                                                                                                                                                                                                                           |

| Galvanizing             | tested to standard                                                                                                                                                                                                                                                                                                                                                        |
| Reaction to fire (R2F)  | A1                                                                                                                                                                                                                                                                                                                                                                        |
| Treatment               | - Attach the suspension wire at the required centre distance using suitable fasteners. - Connect the suspension wire with the hook on the eyelet wire using a double spring. - Fix T-support rail into the suspension wire with hooks - To avoid unintentional unhooking of the T-rail, the hook wires should be pressed together after assembly. - Readjust if necessary |
| Load bearing capacity   | NPD*                                                                                                                                                                                                                                                                                                                                                                      |
| Customs tariff number   | 73262000                                                                                                                                                                                                                                                                                                                                                                  |
| Processing instructions | See processing description.                                                                                                                                                                                                                                                                                                                                               |
| Opened label            | Purchase only possible as full packaging units.                                                                                                                                                                                                                                                                                                                           |
