

# PRODUCT DATA SHEET

COB LED strip IP20 10 W/m  
2700 K (warm white) - 955 lm/m  
Item no. 6703

Status: 02.08.2026 | 17:29

|                       |                                                                                                                                                                                                                                        |
|-----------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Designation           | COB LED strip IP20 10 W/m 2700 K (warm white) - 955 lm/m                                                                                                                                                                               |
| Description           | 5 m roll, can be cut to size, 24 V/DC. Uninterrupted light thanks to COB chips. Width 8 mm. Can be connected with 6785 L connectors and 6787 connection connectors. Note: only use on heat-conductive surfaces to prevent overheating. |
| Product area          | Dry lining                                                                                                                                                                                                                             |
| Product category      | LED Lightdesign - lumino                                                                                                                                                                                                               |
| Customs tariff number | 85395100                                                                                                                                                                                                                               |
| Opened label          | Purchase also possible as a single item:                                                                                                                                                                                               |
