

# PRODUCT DATA SHEET

Ventilation strip square perforation  
50 mm, Aluminium schwarz  
Item no. 9321

Status: 30.07.2026 | 20:04

|                                  |                                                                                                                                                                                                                                                                                                                                                             |
|----------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Designation                      | Ventilation strip square perforation 50 mm, Aluminium schwarz                                                                                                                                                                                                                                                                                               |
| Description                      | The PROTEKTOR aluminium ventilation strip with square perforations ensures optimal and effective ventilation while extracting moisture caused by diffusion or condensate water formation. It also provides the best possible degree of protection against the entry of small animals into the ventilation area. Free ventilation cross-section 185 cm²/lfm. |
| Product area                     | Ventilation profiles                                                                                                                                                                                                                                                                                                                                        |
| Product category                 | Roof ventilation   Facade ventilation                                                                                                                                                                                                                                                                                                                       |
| Material thickness               | 0,8 mm                                                                                                                                                                                                                                                                                                                                                      |
| Product width                    | 50 mm                                                                                                                                                                                                                                                                                                                                                       |
| Ventilation cross section in cm2 | 185 cm²/lfm.                                                                                                                                                                                                                                                                                                                                                |
| Reaction to fire (R2F)           | A1                                                                                                                                                                                                                                                                                                                                                          |
| Customs tariff number            | 76069200                                                                                                                                                                                                                                                                                                                                                    |
| Opened label                     | Purchase only possible as full packaging units.                                                                                                                                                                                                                                                                                                             |
