Corner bead without covered cutting edge  
10,8 mm, Aluminium  
Item no. 9442

Status: 30.07.2026 | 19:23

|                        |                                                                                                                                                                                                                                                |
|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Designation            | Corner bead without covered cutting edge 10,8 mm, Aluminium                                                                                                                                                                                    |
| Description            | PROTEKTOR corner bead for external corners made of aluminium is suitable for façade cladding up to 10.8 mm and is used for optimal façade design. The profile forms a beautiful, clean, straight edge and covers the cut edges and unevenness. |
| Product area           | Curtain wall                                                                                                                                                                                                                                   |
| Product category       | Corner profiles                                                                                                                                                                                                                                |
| Material thickness     | 1,1 mm                                                                                                                                                                                                                                         |
| Leg length             | 40 mm                                                                                                                                                                                                                                          |
| Opening size           | 10,8 mm                                                                                                                                                                                                                                        |
| Reaction to fire (R2F) | A1                                                                                                                                                                                                                                             |
| Overplastering Ability | Powder coating in accordance with RAL specification available for an extra charge.                                                                                                                                                             |
| Annotation             | Powder coating in accordance with RAL specification available for an extra charge.                                                                                                                                                             |
| Customs tariff number  | 76042100                                                                                                                                                                                                                                       |
| Opened label           | Purchase only possible as full packaging units.                                                                                                                                                                                                |
