| Designation            | Featured bead U-profile 10,5 mm, Aluminium                                                                                                                                                                                                                                                          |
| Description            | PROTEKTOR aluminium connection and edge profile (u-profile) is ideal for attaching facade panels to various positions, such as when securing window and door soffits. The profile also provides coverage for cut edges and it smooths uneven surfaces. Suited for facade cladding of up to 10.5 mm. |
| Product area           | Curtain wall                                                                                                                                                                                                                                                                                        |
| Product category       | Connecting– and stop profiles   Edging profiles   Window connection profiles                                                                                                                                                                                                                        |
| Material thickness     | 1,1 mm                                                                                                                                                                                                                                                                                              |
| Opening size           | 10,5 mm                                                                                                                                                                                                                                                                                             |
| Reaction to fire (R2F) | A1                                                                                                                                                                                                                                                                                                  |
| Overplastering Ability | Powder coating in accordance with RAL specification available for an extra charge.                                                                                                                                                                                                                  |
| Annotation             | Powder coating in accordance with RAL specification available for an extra charge.                                                                                                                                                                                                                  |
| Customs tariff number  | 76042990                                                                                                                                                                                                                                                                                            |
| Opened label           | Purchase only possible as full packaging units.                                                                                                                                                                                                                                                     |
