## Assessment and Verification of Constancy of Performance

| Performance            | System | Approved body | Classification report |
|------------------------|--------|---------------|-----------------------|
| Yield strength         | 4      |               | -                     |
| Reaction to fire (R2F) | 4      |               |                       |

## Performance to be declared

| Essential characteristics | Performance | Designated technical standard |
|---------------------------|-------------|-------------------------------|
| Yield strength            | bestanden   | EN 14566                      |
| Reaction to fire (R2F)    | A1          | EN 14566                      |

The manufacturer has carried out initial type testing (ITT) as required by Mechanical fasteners. The product undergoes a factory production control (FPC) which complies with the requirements of EN 14566 - Mechanical fasteners.

The performance of the product which is referred to in this performance declaration represents the performance to be declared. The manufacturer named in this declaration of performance is solely responsible for preparing this "declaration of performance".  
Signed for the manufacturer and on behalf of the manufacturer by:

Dr. Christof Maisch | CEO, Managing Partner\r  
Gaggenau, on 22.09.2026
